Bobby Reed

**Nominee's Name**

I would like my nominee to receive the **MICRA RIVER CHAMPION AWARD** because...

Bobby Reed was one of the most active members of MICRA during the partnership's first 30 years. Bobby was one of the original members of MICRA's Paddlefish Sturgeon Committee and was instrumental in this committee's activities and accomplishments throughout his career. Following the retirement of Kim Graham from the Missouri Department of Conservation, Bobby stepped in to lead the committee as Chairman until 2006. In 2007, Bobby became the Chair-elect of the MICRA Executive Board and served as MICRA Chairman from 2009 to 2011. Bobby participated in the first MICRA sponsored Congressional visits, helping MICRA to build awareness and relationships on Capitol Hill. Bobby continued to be engaged in multiple roles with the MICRA partnership until his retirement in 2019. Bobby's active contributions and leadership throughout his storied career were instrumental in MICRA's accomplishments and successes during the partnership's 30-year history.
